

Why Jarrodean?

- **A family-owned, 'nurse-led' Consultancy with expertise in specialist and hard-to-fill clinical vacancies**
- **Recruitment and selection tailored to meet your specific needs - from introduction through to a full pre-employment check process**
- **Over 25 years experience in UK and international healthcare recruitment**

Our team has extensive experience in healthcare recruitment in the UK, Europe and Australia, New Zealand and Canada.

We pride ourselves on our ability to accurately match candidates skill-sets with Clinical Managers requirements offering honest and constructive communication from application, through to interview and into post - the more we know about your specific pre-requisites the more likely we are to meet them now or in the future.

As a valued permanent recruitment partner we can contribute to significant cost savings particularly when off-setting expensive temporary staffing, or just streamlining and reducing the cost and time of direct sourcing.

CCS Permanent Recruitment Solutions Framework (Contract Reference: RM6229)

In April 2022 we were pleased to announce that Jarrodean has been named as a supplier on the new Crown Commercial Solutions (CCS) - Permanent Recruitment Solutions Framework under Lot 1: Clinical General Recruitment. Also known as 'Permanent Recruitment 2', this agreement replaces the RM6002 Permanent Recruitment Solutions Framework.

CCS supports the public sector to achieve maximum commercial value when procuring common goods and services. In 2020/21, CCS helped the public sector to achieve commercial benefits equal to £2.04bn - supporting world-class public services that offer best value for taxpayers.

Our team successfully supplies the full range of qualified healthcare staff:
